"A Carnegie or a Rockefeller or a James J. Hill or a Marshall Field accumulates a fortune through the applications of the same principles available to all of us, but we envy them and their wealth without ever thinking of studying their philosophy and applying it to ourselves. We look at a successful person in the hour of their triumph and wonder how they did it, but we overlook the importance of analyzing their methods. And we forget the price they had to pay in the careful, well-organized preparation that had to be made before they could reap the fruits of their efforts."

Real Client Case Studies

"You certainly were the on-site leader that we needed for this calling campaign. By watching you work with these students and seeing the result, I became reassured that hiring you to do exactly what you did was the right thing to do. Your team brought in over \$120K in gifts and pledges, which may be an all-time ORU phonathon record! But I'll have more for you later. Again, thanks for everything....and don't drink too much Red Bull!"

JESSE D. PISORS

Director of Alumni & Ministerial Relations of Oral Roberts University

"I had the pleasure of working with Mr. Clark when I managed over 2.2 million square feet of downtown office and retail space. I can recommend him highly and without reservation. I had hired Mr. Clark to rebrand the portfolio and reach out to prospective tenants. Throughout the course of the campaign, Mr. Clark was a consummate professional. He conducted market research, built a website, and coordinated obtaining pictures, print materials, and gaining media attention within what I would deem record time. Within the first week of Mr. Clark going public with the campaign, he generated hundreds of prospective tenants. Mr. Clark's positive attitude is contagious, he is hard worker, and he is genuinely a great guy to work with. I hope that in the near future I will have the opportunity to work with Mr. Clark again."

DAVID ATKINSON

Former President of Kanbar Properties

"We've gone into overdrive to get Brenda trained. We've had a record month!! We've collected \$60,000. We have quite a bit pending insurance as well. Can't wait to finish all the numbers!! That's awesome! Thank you, Clay, for all that you do! Our Internet leads just keep coming in!"

JENNIFER CUSHMAN

Office Manager at Face & Body Cosmetic Surgery and Medical Spa

"Clay, our sales process has improved greatly over the past few months. I've learned how to differentiate ourselves from the competition with our sales approach (purple cow) by making it more excitable and learning how Oxi Fresh can help people reach their goals while reaching ours. My passion and motivation have never been higher by keeping my personal goals at the forefront to have Oxi Fresh help me get where I wanna go. My work ethic has improved immensely by understanding the mindset necessary to reach my goals for our company and myself. You continually inspire me every week to better myself by learning what it really takes to be successful in business and life."

TODD CHAPMAN

Director of Franchise Sales Oxi Fresh

"Our experience working with Clay Clark and his team at Thrive has been nothing short of amazing. When our team first met Clay, I expressed that if we were able to move the needle and get results we would be working together for a very long time. Clay and his team listened to our problems and custom built a program specifically for us. So far this season we have experienced 40% increase in corporate sponsorship sales, a 10% increase in season ticket sales and 100% increase in group tickets sales. We have also had a 20% increase in people actually attending the games thus resulting in 25% increase in concession and novelty sales. Our program focused search engine optimization, Dream 100 marketing to ideal and likely buyer groups, social media marketing, videography production, marketing piece enhancement, website redesign, social media presence enhancement, targeted online ads, and digital retargeting ads. Beyond the SEO, Clay's team redesigned our website making it more visually appealing and user friendly for our online visitors by creating a dynamic visual experience. Our slogan for Tulsa Oilers hockey is "Feel The Boom", thanks Clay for giving us that BOOM!"

In-Depth Review

"I have owned my business for over 8 years but over the last 6 months I have been able to confidently move from being a sole proprietor to a business owner. I had never thought about there being a difference between the two but man was I wrong. There is a huge difference!!!"

"I have been able to develop systems for my entire business that I had not had before. I would get worried about an employee leaving because I had so much time and training in them that if they left I would be "screwed." I have no fear of that now that I have systems in place for each position in my business."

"My employees now know what is expected of them every day and we discuss it in our daily meetings where they have to turn in their daily reports. The daily meetings and using the agenda that they helped me develop have made a major impact for me and my employees!"

"MYLE has been able to re-energize me in a way that I didn't think was possible and has helped me think differently about my business. I truly can't thank them enough for their mentorship and leadership!!"

5 REASONS NOT TO WORK WITH US

1. YOU ARE FRUSTRATED THAT WE DON'T OFFER IN-HOUSE CAT JUGGLING SERVICES ANYMORE.
2. YOU ARE COMMITTED TO PERSONALLY MASTERING ALL THE SKILLS AND SERVICES WE PROVIDE.
3. YOU WANT TO ACHIEVE THE EXACT SAME RESULTS AS LAST YEAR.
4. YOU WOULD LIKE TO TAKE 19.3 YEARS TO ASSEMBLE YOUR OWN TEAM.
5. YOU WANT TO OVERPAY AN EXECUTIVE COACH, PR FIRM, GRAPHIC DESIGN FIRM, & VIDEOGRAPHY COMPANY BY 90% AND BE LOCKED INTO MISERABLE CONTRACTS.

"We get it. Success does not come overnight.

Unfortunately, early in my career I too chose to learn from costly mistakes instead of proven mentors and experts. However, the insanity does not have to continue. You can choose to succeed today. We are passionate about helping you to achieve success because when you begin to experience actual results you will begin to gain the time freedom needed to pursue your faith, your family and your fitness goals. I know you can do it and we are excited to partnering with you to make this year your best year yet!"
